War healing can be accomplished if we take that healing on as a spiritual journey that will have shamanism, initiatory ordeals, and the resolution of the experience of combat along that path. If we understand PTSD as incomplete, interrupted initiation, we can help the veterans complete their initiatory experience, heal, and return to the community as mature warriors.

War and Soul Healing - Last Mask Center for Shamanic Healing
War and the Soul holds forth the possibility that we can regrow the war-wounded soul in both individuals and cultures to nurture and educate a positive and affirming identity that surrounds the war experience with love, compassion, meaning and forgiveness. When the survivor can accomplish this, PTSD as a soul wound evaporates.
